OVERVIEW

Opened on June 24, 2021, Resorts World Las Vegas seamlessly blends the technology and luxury appeal of an urban contemporary resort with the traditions and time-honored details of the international Resorts World brand. As the first integrated resort to be built on the Las Vegas Strip in over a decade, the sleek yet simple elegance of this new US\$4.3 billion property was developed with the intention of bringing the elevated experience for which the Resorts World brand is known for. Resorts World Las Vegas features 3,506 guest rooms and suites; an innovative, next-generation gaming floor; over 40 world-class food and beverage options; a 5,000-capacity theatre; distinct nightlife venues; an extensive retail collection boasting a wide spectrum of internationally known brands; and more.

In February 2020, Resorts World Las Vegas announced a partnership with global hospitality player, Hilton. Fusing Hilton's decades of global industry expertise with Resorts World's elevated service, Resorts World Las Vegas integrates three of Hilton's premium brands into its resort campus. The development includes Las Vegas Hilton, the resort's full-service brand; Conrad Las Vegas, Hilton's contemporary luxury brand; and Crockfords Las Vegas, one of the first hotels to debut in the U.S from LXR, Hilton's collection of bespoke, independent luxury properties.

Situated at the north end of the Las Vegas Strip, Resorts World Las Vegas is ideally located across from the 1.4 million-square-foot Las Vegas Convention Center Expansion, as well as the two million-square-foot, 250-store Fashion Show Mall.
