**LOUIS XIII & CAVIAR**

This opening experience is undeniably the most respectful match for Louis XIII. Paired with the finest of caviars, the King of Cognacs expresses its full personality, pure and unaltered. Sampled on a mother-of-pearl spoon, the caviar’s subtle ocean notes allow every facet of LOUIS XIII to shine through, revealing the key accord at the heart of its complex aromatic expression.

**LOUIS XIII & WAFER-THIN BELLOTA SHAVINGS**

The lightly salted, melt-in-the-mouth texture of the Bellota echoes the suave texture of LOUIS XIII, regaling the mouth with a fine, lingering finish with ample breadth. A lasting sensation that magnifies the silky smoothness of LOUIS XIII, heightening its plump density on the tongue.

A pairing that triggers a textural vibration to exquisitely tickle the palate.
The Perfect Equilibrium

Arturo Fuente Opus X
Pairing notes: Spicy & Creamy

A spicy and creamy pairing in which the cognac adapts naturally and effortlessly to the notes of the cigar, accentuating the more subtle and elegant side of LOUIS XIII.

The Ultimate Union

Davidoff Millennium Blend Robusto
Pairing notes: Woody & Velvety

LOUIS XIII evolves equally, refining and rounding out the vigor, energy and strength of the Robusto Millennium Blend. It deploys flavors of roasted honey, prunes and raisins, dried figs, dates, candied quince, and elegant citrus fruit in syrup... resulting in a VELVETY, sweet finish.
