### Floral Event Policies & Pricing

We are excited to work with you to create a stunning floral experience for your event. To ensure complete transparency and a smooth planning process, please review our policies and pricing details as follows:

#### Pricing Exclusions

Pricing is subject to a 22% taxable delivery, setup, and strike fee; a 4% taxable administrative fee; and the prevailing Nevada State Sales Tax of 8.375%.

#### Deposit, Payment Schedule, and Cancellation

We offer the convenience of applying floral charges to the Group's Master Account. In order to secure your desired floral arrangements, which require advanced procurement and reservation, we've established the following floral deposit schedule. Once your order is confirmed, all retainer fees and deposits become non-refundable:

- **Events scheduled more than nine (9) months in advance:** A 25% retainer is due upon booking, an additional 25% is due six (6) months prior, and the remaining balance is due one (1) month before the event.
- **Events scheduled between three (3) and nine (9) months in advance:** A 50% retainer is required upon booking, with the balance due one (1) month prior to the event.
- **Events scheduled less than three (3) months in advance:** A 75% retainer is due upon booking, with the remaining balance due one (1) month before the event.
- **Events scheduled less than one (1) month in advance:** Full payment is required at the time of booking.

#### Order Deadlines & Rush Fees

To ensure availability and optimal preparation, we kindly ask that all orders be placed at least one (1) month prior to the event. Orders placed after this deadline may incur a rush fee of 15-20%, based on feasibility.

#### Guarantee Due Date

Order counts can be reduced by up to 10% of the original anticipated amount if changes are made at least 60 days before the event. Final counts must be confirmed one month before the event, and no further reductions may be permitted.

#### Floral Selection & Availability

Our event specialists curate floral selections to complement your chosen style and color palette, with final selections subject to seasonal availability.

#### Delivery Schedule

Floral arrangements will be delivered within a designated window 2-4 hours before the event's start time, unless alternative arrangements are mutually agreed upon.

#### Storage & Care

To maintain the longevity and beauty of your arrangements, please store them in a cool, shaded area possible. While we strive for perfection, please understand that Resorts World Las Vegas/Flora Couture cannot be held responsible for weather-related or unforeseen circumstances after delivery.

**Multi-Day Event Considerations**

Our floral arrangements are designed for single-day events. For multi-day events, please consult with your floral designer regarding longevity recommendations or to schedule a refresh service (additional fees apply). Floral arrangements should not be reused for more than three consecutive days without a scheduled refresh, and outdoor floral settings are not suitable for indoor use without proper consultation.

**Holiday Pricing Adjustments**

For events occurring two (2) weeks before or one (1) week after major holidays—including Valentine’s Day, Mother’s Day, New Year’s Eve, and Christmas—pricing will adjust by approximately 20% to account for heightened seasonal demand.

**Floral Refreshes and Room Transfers**

- A 10% fee applies for transferring floral arrangements from one room to another.
- A 20% fee is charged for any required floral refresh.
- If both a refresh and room transfer are needed, a combined fee of 30% will apply.
